**HELP US CONNECT THE WORLD WITH GOD'S WORD!** ... Today we will hold the collection for the Catholic Communication Campaign. This collection funds media projects that spread the Good News through the internet, radio, TV and print media. These projects evangelize, nourish the faithful, foster community and grant easy, direct access to thousands of Catholic resources. Help connect the world with God's Word! Support the Catholic Communication Campaign in today's collection.

**THANKS AGAIN TO OUR FLOWER ANGEL** ... Each spring, as has been the case for many years, we are so fortunate to have a parishioner who selects, plants and maintains beautiful flowering plants around the grounds of the church and rectory. Her work adds so much to our parish environment. If you happen to see her, thank her for her wonderful talent and generosity. Thank you, Mary Margaret Johnston.

**HEALING MISSION ...** Monday, June 14 to Wednesday, June 16, 7:00PM, Blessed John XXIII Newman Center Parish will host a Healing Mission featuring Paul Rymniak. In the past 23 years, Paul has been to churches all over the U.S. He has been to many other countries and has done this mission, with interpreters, in nine different cultures. He has worked with the Native Americans, for three years, in the Northwest, and has been throughout the Caribbean, Canada and Mexico. He has been to many parishes throughout our diocese and he sees it as an honor to be with us again. We hope that you will be able to attend, if not all three evenings, at least one of them. This is a very special mission, and all three days are different. Forgiveness and confession are Paul's main thrust. He feels very strongly that our healing begins in the Confessional.

**FOUR FATHERS CONCERT ...** Marc Mero, Hal Mero, Dean Trombley and Tom Marnes will perform on Thursday, June 17, 7:00PM at the Samuel de Champlain Center Stage (Rouses Point Civic Center). Bring your chair or blanket for this free concert!

**CEMETERY REMINDERS ...** Please note that monuments and foundations are the responsibility of the owners. If some damage occurs, for example, from vandalism that is not the fault of the cemetery, one's homeowner's insurance kicks in. However, if the ground on which the markers stand or lie causes the stone to tip or sink, or the monuments or foundations have been damaged by cemetery workers, then it becomes the responsibility of the cemetery. Because endowed care (perpetual care) exists for the purpose of keeping up the property; that is, mowing and trimming of the grass, etc., these additional repairs to the foundations can be costly and additional funds may need to be raised to cover these expenses.

**ST. PATRICK'S CEMETERY RULES AND REGULATIONS ...** Flowers may be planted in front of monuments, preferably protected by paving stones, not to exceed **10 inches** from the front of the monument foundation. (These paving stones can be placed in a straight or curved fashion, but must not exceed the 10 inches allowed). Shrubs, bushes, trees and perennials are not permitted.

**Artificial flowers may be placed on the monuments only and are not permitted in the ground.** This has always been a rule in our cemetery and once again this year there is an abundance of artificial flowers in the ground. We ask that you remove them yourself as soon as possible or we will have to remove them. Artificial flowers are considered "on the monument" if they are in an appropriate (durable) pot that touches the monument or of a size that can be placed on the monument foundation. Also, please do not place any glass containers on the lots as they may break and cause damage to cemetery equipment.

Lastly, starting on July 1, 2010, the cost of a cemetery lot, including endowed care, will increase to \$400 and the cost to open and close a grave will also increase to \$400. Opening and closing of cremation graves will increase to \$125.

**ST. JOSEPH'S CEMETERY REMINDER ...** Flowers, flags, etc. will be permitted on the ground only on Memorial Day and must be removed by the third day after the holiday. The rest of the year they will be permitted only on the monuments and out of the way for mowing of the grass. No permanent flowers are to be planted.

Starting on July 1, 2010, the cost of a cemetery lot, including endowed care, will increase to \$400 and the cost to open and close a grave will also increase to \$400. Opening and closing of cremation graves will increase to \$125.
